ORDER

Of late it has been experienced that the CC TV cameras fitted in our buses are being distorted 'off and on' and as such we are not providing services regarding safety and security to the boarded passengers in the bus properly. Now in order to set things right and also to ensure proper monitoring system, the under mentioned process must be followed scrupulously:-

- 1) Position of both cameras – Front and Rear
- 2) All cable connections of the Cameras, MDVR , GPS device & Panic button
- 3) Both Front and Rear cameras are functioning
- 4) GPS device is working

All the Depot Manager and Depot-in-Charge of the depots are hereby directed to entrust and assign the above mentioned jobs to the newly engaged Store Assistant (Jr.) cum Fuel Assistant (Jr.)/ Data Entry Operator (Jr.) for **strict compliance with specific responsibility** as stated here in above. They have to maintain a separate register for this purpose and any distortion, if noticed, to be communicated to the Depot Manager /Depot-in-Charge immediately and the said register should be checked and signed by the Depot Manager and Depot-in-Charge of the depots once in a week positively.

The above order should be strictly adhered to.
